

Credit crunch!!

Student A

- 1. Have you ever been on the dole? How long for? How did you feel?
- 2. Would you arrange the Spanish subsidy policy differently? If so, how? Why?
- 3. Do you believe in Spain there 's any social stigma to people on the dole?
- 4. Do you reckon that sometimes the dole could be a way to play down people's discomfort with politicians?

Student B

- 5. Do you consider economic cuts on help to disabled citizens are justified in times of credit crunch, or can they not be justified under any circumstances?
- 6. Do you know anyone who hasn't ever been on the dole because they find it embarrassing?
- 7. How do you feel about people who don't take risks to find a job? Would you give them any words of advice?
- 8. If you could make a choice, which one would you choose: a well-paid job nothing to do with your CV, or a decently paid one relating to your studies? Why?
